

Expand your horizons
with OMICRON testing solutions

Seminar on Cost Efficient Protection Systems
with OMICRON solutions

December 26, 2018
Abu Dhabi, UAE

Invitation

We have the pleasure to invite you to the OMICRON seminar taking place in Abu Dhabi. As an international company that provides innovative solutions for power system testing and monitoring, we have a wealth of knowledge to share with you.

| | |
|----------|-------------------------------------|
| Date | December 26, 2018 |
| City | Abu Dhabi, UAE |
| Location | Radisson Blu, Yas Island, Abu Dhabi |
| Language | English |
| Timing | 16:30 - 21:00 |

Who should attend

Engineers and technicians from utilities, manufacturers and contractors responsible for maintenance, testing and commissioning of power systems protection.

Why you should attend

- > To hear the latest trends of the test measurement process to protect your assets before they fail. Early diagnosis and corrective action can eliminate revenue loss.
- > Be part of dynamic knowledge and information exchange with industry peers
- > Have direct interaction with OMICRON experts

We welcome the chance to talk with you personally at our seminar and we are happy to answer any questions you may have regarding our broad product and service portfolio.

If you are aware of any of your colleagues who are likely to have an interest in this seminar please feel free to duplicate the registration form.

We are looking forward to meeting you in Abu Dhabi.

Your OMICRON Team
