

Expand your horizons
with OMICRON testing solutions

Seminar on Advanced Power System Testing & Diagnostics

July 17, 2018
Hyderabad, India

Invitation to attend

We have the pleasure to invite you to the OMICRON seminar taking place in Hyderabad, India. As an international company that provides innovative solutions for power system testing and monitoring, we have a wealth of knowledge to share.

Date	July 17, 2018
City	Hyderabad, India
Location	Taj Deccan Road Number 1, Banjara Hills, Hyderabad, Telangana 500034
Language	English

Who should attend

Engineers from utilities or companies responsible for maintenance and diagnostics of power transformers.

Why you should attend

- > Gain knowledge and skills to perform diagnostic tests
- > Be part of dynamic knowledge and information exchange with industry peers
- > Have direct interaction with OMICRON experts

We welcome the chance to talk with you personally at our seminar when hopefully we can answer any questions you may have regarding our broad product and service portfolio.

If you are aware of any of your colleagues who are likely to have an interest in this OMICRON seminar please feel free to duplicate the registration form.

We are looking forward to meeting you in Hyderabad

Your OMICRON Team
