OF OUR NEW PRODUCT!**

OMICRON Seminar  
on Partial Discharge & Insulation Diagnostic  
Measurements on HV Assets

June 19, 2019  
Abu Dhabi, United Arab Emirates

## Invitation to attend

We have the pleasure to invite you to the OMICRON seminar taking place in Dubai, United Arab Emirates. As an international company that provides innovative solutions for power system testing and monitoring, we have a wealth of knowledge to share.

<b>Date</b>	June 19, 2019
<b>Location</b>	Sheraton Abu Dhabi Hotel & Resort Abu Dhabi, United Arab Emirates
<b>Language</b>	English

### Who should attend

Engineers and technical management who possess basic knowledge of partial discharge testing involved in Electrical Operation, Maintenance, Testing and Commissioning from Transmission company, Power Generation.

### Why you should attend

Partial Discharges are in many cases the preliminary stage before a total failure of the asset

- > Plan a better maintenance strategy
- > Get an accurate condition of your asset health
- > Be part of dynamic knowledge and information exchange with industry peers
- > Have direct interaction with OMICRON experts

We welcome the chance to talk with you personally at our seminar when hopefully we can answer any questions you may have regarding our broad product and service portfolio.

If you are aware of any of your colleagues who are likely to have an interest in this OMICRON seminar please feel free to duplicate the registration form.

We are looking forward to meeting you in Abu Dhabi.

Your OMICRON Team
