

Waltham Training Center, USA

Waltham Training Center has been providing excellent training courses since 2012. It is located 2.5 miles from downtown Waltham. You can easily reach it by the Interstates 90 and 95 as well as by bus. Boston Logan International Airport is only 20 miles away.

Benefit from ideal training conditions and special equipment such as a selection of protection relays, different test objects and models including a fully functional transformer model as well as a wide range of test equipment.

Welcome!

Travel Information

Excellent transport connections enable convenient arrival by car, train, or airplane. Comfortable hotels are nearby.

 Ample free parking is available. Interstates 90 and 95 enable easy access.

 Logan International Airport (BOS) is approximately 20 miles from the OMICRON office and the closest airport that services the greater Boston area.

 Regularly scheduled commercial van services, taxis and auto rentals are available at Logan.
