Training Center Melbourne, Australia

The Melbourne Training Centre has been providing excellent training courses since 2009. It is located 38km from downtown Melbourne. You can easily reach the Mill Park Training Centre by travelling down Plenty Road, Mill Park. The Melbourne Airport is only 25 kms away.

Benefit from ideal training conditions and special equipment such as a selection of protection relays, different test objects and models as well as a wide range of test equipment.

Welcome!

Travel Information

Excellent transport connections enable convenient arrival by car, train, or airplane.

The training center is located just off Penty Road (an exit off the M80 Ring Road) which enables easy access. There are sufficient parking spaces on the premises.

The Mernda train line which runs from the city center has South Morang train station located nearby (6 minute drive). There are several bus stops within walking distance from the training centre.

Melbourne Airport is located 25 km from the training center. Taxis are available outside the airport.
