

Training Center Klaus, Austria

Klaus Training Center has been providing excellent training courses since 1999. It is located in Vorarlberg, the most western state of Austria. You can easily reach it by the highway A14. If you are travelling by train, it is just a 5 minutes' walk from the local railway station. Zurich International Airport (Switzerland) is the closest airport and about 130 km away.

Benefit from ideal training conditions and special equipment comprising a wide range of test equipment as well as a number of assets such as protection relays, power transformers, bushings, instrument transformers, circuit breakers and more.

Welcome!

Travel Information

Excellent transport connections enable convenient arrival by car, train, or airplane.

There is a big parking space in front of the building. Please enter „Oberes Ried 1, A-6833 Klaus“ into your navigation system.

On the highway A14, please take the exit „Klaus / Koblach“ (No. 31).

The railway station 'Klaus in Vlb' is only a 5 minutes' walk from the training center. Find possible connections at www.oebb.at.

The nearest airports are the Bodensee-Airport Friedrichshafen (60 km) and the airport Memmingen (105 km) in Germany, or the airport Altenrhein St. Gallen (30 km) and the airport Zurich (130 km) in Switzerland.

There are many hotels in the area. Please choose from the following list. We will be happy to organize a shuttle service for you.
