Training Center Manama, Bahrain

The Manama Training Center has been providing excellent training courses since 2007. It is located 8 km from downtown Manama and you can easily reach it by car via Al Fatih Highway. Bahrain International Airport is only 7 km away. Taxis are the most common form of travel for visitors and are readily available.

The Manama Training Center is a very well equipped facility where you can benefit from ideal training conditions and an impressive selection of technical equipment such as protection relays, different test objects and models as well as a wide range of test equipment.

As we serve the whole Middle East, you will also find all local courses here.

We look forward to welcoming you.

Travel Information

Excellent transport connections enable convenient arrival by car or airplane.

Bahrain is joined to the Kingdom of Saudi Arabia by the King Fahad Causeway. The GPS coordinates of the training center are 26.238612 (latitude), 50.576124 (longitude).

Bahrain International Airport is situated on the island of Muharraq, which is a 20-30 minute drive to the training center. Metered taxis are ready available outside the airport. Please follow the clearly marked signs.

Please choose your preferred overnight accommodation from the hotel list.
