

Training Center Seoul, Korea

The Seoul Training Center has been providing excellent training courses since 2014. It is located close to the city center of Seoul. You can easily reach it by a beltway around Seoul and by different bus lines and by subway. Incheon International Airport is 70 km away.

Benefit from ideal training conditions and special equipment such as a selection of protection relays, different test objects and models as well as a wide range of test equipment.

Welcome!

Travel Information

Excellent transport connections enable convenient arrival by car, train, or airplane.

Only 3 minutes from Seongnam IC of beltway around Seoul in direction to Seongnam cityhall.

10 minutes from Seongnam Intercity Bus Terminal and 10 minutes from No. 4 exit of Yatap subway station of Bundang Line.

Incheon International Airport is located 70 km away from the training center and enables easy access from the region. Taxis are available at the airport.
