

## Houston Training Center, USA

The Houston Training Center has been providing excellent training courses since 2007. It is located 11 miles from downtown Houston. You can easily reach it by the Interstate 610 and by bus. Bush Intercontinental Airport is only 30 miles away.

Benefit from ideal training conditions and special equipment including a wide range of test sets and assets, such as a power transformer, circuit breakers, partial discharge testing area as well as a hands-on protective relay lab and distribution automation area.

Welcome!

### Travel Information

Excellent transport connections enable convenient arrival by car and airplane.

There is plenty of free parking around the training center. Interstate 610 enables easy access from all directions.

The nearest airports are Bush Intercontinental Airport (IAH), located 30 miles north and Hobby Airport (HOU), located 15 miles east of the OMICRON office. Taxis are available at the airports.

#### **Intercontinental (IAH) Airport Taxi**
