

## Training Center Manama, Bahrain

The Manama Training Center has been providing excellent training courses since 2007. It is located 8 km from downtown Manama and you can easily reach it via King Faisal Highway. Bahrain International Airport is only 12 km away and taxis are readily available at the airport exit.

You will benefit from superb training conditions where special equipment is utilised including a good selection of protection relays, different test objects and models and a wide range of test equipment.

The Center serves the whole Middle East, and there are many courses offered in the Region in addition to the Bahrain run courses.

We look forward to welcoming you.

### Travel Information

Excellent transport connections enable convenient arrival by car or airplane.

Bahrain is joined to the Kingdom of Saudi Arabia by the King Fahad Causeway. Please follow the signs for Manama and on the second highway the signs for Seef. The GPS coordinates of the training center are 26.235361 (latitude), 50.541852 (longitude).

Bahrain International Airport is situated on the island of Muharraq, which is a 20-30 minute drive to the training center. Metered taxis are ready available outside the airport. Please follow the clearly marked signs.

Please choose your preferred overnight accommodation from the hotel list.
