

## Training Center Stafford, United Kingdom

The Stafford Training Center has been providing excellent training courses since 2008. It is located 2 miles from the inner city of Stafford. You can easily reach it by the motorway as well as rail and bus. Birmingham Airport is 40 miles / 65 km and Manchester Airport is 50 miles / 80 km away.

Benefit from ideal training conditions and special equipment comprising a wide range of test equipment as well as a number of assets such as protection relays, power transformer, instrument transformer and more.

We look forward to welcoming you.

## Travel Information

Excellent transport connections enable convenient arrival by car, train, or airplane.

There is plenty of room to park at the Training Center.

Stafford Station is only 10 minutes away from the Training Center by taxi. Please find further information at [www.nationalrail.co.uk](http://www.nationalrail.co.uk).

The nearest airport is Birmingham International (40 miles / 65 km) which has excellent rail links to Stafford Station, with trains running every hour. Other airports within a reasonable distance are East Midlands Airport (42 miles / 67 km), Manchester Airport (50 miles / 80 km) and Liverpool John Lennon Airport (64 miles / 102 km).
