

Training Center New Delhi, India

The New Delhi Training Center has been providing excellent training courses since 2007. It is located 25 km from downtown New Delhi. You can easily reach it by the National Highway 8 as well as metro and bus. Indira Gandhi International Airport is only 12 km away.

The New Delhi Training Center offers good possibilities to experience real-life testing scenarios in a working environment using an excellent range of test equipment and test objects.

We look forward to welcoming you.

Travel Information

Excellent transport connections enable convenient arrival by car, train, or airplane.

The training center is only a 30 minutes drive away from New Delhi Airport.

Delhi Metro takes you from New Delhi Railway Station to Dwarka Sector-12 Metro Station in 55 minutes. From there it is only a 2 minutes' walk to OMICRON.

New Delhi Airport is an important international airport and is located only 9 miles from the training center.

There are several taxi services at the airport. We recommend Meru cabs (+91-11-4422 4422) or Easy cabs (+91-11-4343 4343).
